

North Olmsted City Schools

New Student Online Registration

www.northolmstedschools.org

How to register a new student to attend the North Olmsted City Schools.

1. Go to www.northolmstedschools.org and click on the "New Student Registration" Link. BE SURE to select the correct link for the school year for which you are registering your child .
2. Create an infosnap account.
3. Read the opening section carefully so you will know what proof of residency documents, custody documents, etc. that you will need to present to the registrar at the Board of Education office once you have completed the online registration. The registration will not be complete until you have made an appointment with the registrar (440-588-5308) and presented the required documents.
4. Proceed to the online registration section and answer all the questions that apply to your child. The questions marked with a red asterisk (*) are required.
5. Once you have finished entering the information, click "submit." This will send all the information you've entered to the school district. If you cannot click on this button, you will need to make sure that you have answered all the REQUIRED questions.
6. If you are registering more than one child, we recommend that you complete and submit one form and then start another. This will allow you to "snap" (or share) selected family information, which saves you time.
7. You can contact the North Olmsted City Schools at 440-588-5800 with any general questions about the form.

If you have technical difficulties, contact the infosnap support line toll free at (866) 752-6850 or email support@infosnap.com
