

ENRICH | CREATE | EXCEL

The North Olmsted City Schools Education Foundation was established to raise funds to increase learning opportunities for students by providing financial support for grants and scholarships.

- *Student scholarships
- *Special projects and programs
- *Staff development and teacher mini grants
- *Advanced development programs
- *Educational symposiums
- *Independent study for teachers or students
- *Recognition of academic accomplishment
- *Cultural enrichment programs

Please support academics in our schools by becoming a NOCSEF member for the 2018-2019 school year today!
