

NORTH OLMSTED
CITY SCHOOLS

As it was last year, the 2018-2019 **annual Data Update** is fully integrated into your **PowerSchool Parent Login**. By logging into the PowerSchool Parent portal, parents will not need to create a separate account or enter any kind of separate password. This simplifies the annual Data Update process. You must use a parent account and **NOT A STUDENT ACCOUNT** to complete the update.

If you do not have a PowerSchool Parent account, please contact your child's school directly. See reverse side for step-by-step instructions on how to complete the annual Data Update for your child(ren).
