

ENRICH | CREATE | EXCEL

The North Olmsted City Schools Education Foundation raises funds to increase learning opportunities for students in our district. The Foundation provides:

- *Student scholarships *Supports special projects and programs
- *Facilitates staff development and teacher mini grants *Aids advanced development programs
- *Provides for educational symposiums *Enables independent study for teachers or students
- *Recognizes academic accomplishment *Fosters cultural enrichment programs

Please support academics in our schools! Become an Education Foundation member for the 2023-2024 school year today.
