## Attendance and Discipline Procedure 2017-2018

**Did you know that the state of Ohio has recently changed the truancy laws?** Recent legislative changes of HB 410, makes significant changes to truancy and compulsory school attendance. **Definition of 'habitual truant' changed from days to hours.**

### TRUANCY & EXCESSIVE ABSENCE

The new definition is:

- a. Absent 30 or more consecutive hours without a legitimate excuse
- b. Absent 42 or more hours in one month without a legitimate excuse
- c. Absent 72 or more hours in one year without a legitimate excuse

Includes 'excessive absences':

- a. Absent 38 or more hours in one school month with or without a legitimate excuse;
- b. Absent 65 or more hours in one school year with or without a legitimate excuse.

**According to HB 410, habitually truant students whose absences are unexcused must be assigned an absence intervention team. The absence intervention team must consist of, at minimum, two representatives from the school or district, and the child's parent or legal custodian. The team's role is to develop a truancy intervention plan tailored to the student. The school district is required by law to file a complaint with the juvenile court no later than 61 days after the implementation of the plan if the student fails to comply with the plan.** Please see page 5 of the handbook for more information on our attendance policy.

Students are permitted three (3) emergency tardies per quarter. There will be NO refunds for students who are ineligible for behavior or failing Social Studies grades.
