

Student Wellness and Success Funding

The North Olmsted City Schools has utilized the Student Wellness and Success Funds received from FY20-FY24 for the following reasons:

- District Social Work personnel costs
- Various behavioral and trauma based trainings for related staff

The district developed their initial plan in conjunction with the Educational Service Center of Northeast Ohio and has engaged them in subsequent conversations to solicit feedback. The district will continue to utilize the remaining funds for the following reasons:

- District Social Work personnel costs
- Various behavioral and trauma based trainings for related staff
- School Counseling resources and curriculum

This was discussed at the April 22, 2024 Board of Education Meeting.
