

TRANSPORTATION

Our team recognizes that you will have questions regarding the transportation process. At the start of the school year, your child's school will provide additional information to answer all of your questions. In the time being, the below are some general transportation reminders for your family:

- The district transports students 1.25 miles and beyond. Your student will automatically be assigned a bus.
- Transportation routes will be posted to the district website and via social media approximately one week before school starts.
- Information on day care variances is also available on the district website under the transportation page.

Please contact David Leigh, Supervisor of Transportation Services, at david.leigh@nolmsted.org with any specific questions regarding the transportation process.
